

## **SY24/25 Chicago Public Schools Safety & Security Approved Teaching Artists**

### **Please Note:**

- School principals may still require teaching artists to obtain an additional background check at their sole discretion.
- Teaching artists on this list will need to obtain a background check via an approved arts vendor at least every 3 years from the date of their last background check.
- TAs asked to confirm their approvals on a school site should reference the TCN and arts organization of their most recent background check.
- Additionally, TAs and arts organizations can utilize this information to provide confirmation to schools.

### **Contact:**

For any questions regarding the list below, please contact both the Director of Partnerships and Learning at Ingenuity at [lc@ingenuity-inc.org](mailto:lc@ingenuity-inc.org) and CPS Public Art & Partnership Support Specialist, Jessica Rodrigue at [cpsarts@cps.edu](mailto:cpsarts@cps.edu).
